Take a tour of Detroit's last surviving pay phones

All over Detroit, we found battered pay phones in various states of disrepair. It's much harder to find a dial tone.

Last call: New York City bids an official farewell to its last public pay phone

MAY 24, 2022 · 11:47 AM ET

By Rachel Treisman

Searching for Cleveland's last payphone, I found something better

Updated: Mar. 16, 2026, 7:21 a.m. | Published: Mar. 16, 2026, 6:30 a.m.

- **98%** of adults in the USA have a cell phone (Pew Research)
- Philadelphia population as of July 1 2024 is **1,573,916** (census.gov)
- **78.8%** of Philadelphians are 18+ (census.gov)
- (1573916*.788)*.02 = **~24,808** Philadelphia adults without a cell phone
- Xfinity Mobile Arena max seated capacity: **~21,000**

Schlott's 'RandTel' Shares Hobby, Provides Real Service to WRV

AUGUST 08, 2024

BY TIM CALABRO

The first, and so far only, RandTel "payless" phone hangs outside the North Tunbridge General Store. (Herald / Tim Calabro)

In Rochester, pay phones are working again—and they're free

The GoodPhone Project upcycles old pay phones, converts them to VoIP, and places them in neighborhoods where some residents still don't own mobile phones.
